Diagram 26 & 28

At an obstacle composed of several elements (A, B, C, etc.) a Horse will be penalised if it passes around the back of any element or circles between elements.

Red route:

20 penalties because it passes around the back of element B (crosses the entire projection of the back of element B)

Green route:

Clear because it avoids passing around the back of element B (avoids to cross the entire projection of the back of element B)
